1. INTRODUCTION

The Enrolments Policy details the requirements for schools of the Anglican Schools Commission (ASC) in relation to compliance with the requirements of the:

Western Australia (WA) - School Education Act 1999, School Education Regulations 2000 and School Curriculum and Standards Authority (SCSA Act 1997).

Victoria (VIC) - Education and Training Reform Act 2006 and Education and Training Reform Regulations 2007.

New South Wales (NSW) - Education Act 1990 and Education Regulations 2012.

The Principal in consultation with School Council will implement this policy.

2. PURPOSE

The ASC has developed this policy to assist Principals to manage the enrolment, inclusion, education and safety of students in a manner that is ethical, legal and consistent with the strategic direction of the ASC, and by doing so is supporting a consistent approach by all ASC schools.

3. SCOPE

This policy applies to students of ASC schools who receive Commonwealth and State recurrent funding.

For Full Fee Paying Overseas Student refer to the ASCI Admission of International Students Policy and the ASCI Student Attendance (Duty of care) Policy.

4. RELEVANT POLICIES, PROCEDURES AND LEGISLATION

4.1 This policy must be read in conjunction with the following ASC policies and procedures:

- ASC Students with Disability (6e);
- ASC Privacy Policy (6f);
- ASCI Full Fee Paying Overseas Student;
- ASCI Admission of International Students Policy and ASCI Student Attendance (Duty of care) Policy.

5. PRINCIPLES

5.1 The vision for ASC schools is that they fulfil the gospel imperative to teach and live the faith and nurture the young as centres of excellence in teaching and learning, pastoral care, worship and service.

5.2 ASC schools shall accept all application forms for enrolment; however, the acceptance of an application form does not guarantee an enrolment interview or subsequent offer of enrolment. The Principal or his/her representative will normally interview parent(s)/guardian(s) and the potential student prior to an offer of a place. Such interviews will give parent(s)/guardian(s) the opportunity to provide additional educational and personal information and to discuss the School's aims and policies.

5.3 Each school shall have a written enrolment and attendance process consistent with the principles, procedures and related documents detailed in this policy. The Principal/Business

Manager, in conjunction with the School Council, is responsible for developing and approving the School's enrolment process, which will suit its particular requirements and reflect the uniqueness of their school community. The School process must address the following:

- (1) Compliance with relevant state and federal legislation for school enrolments;
- (2) Compliance with the requirements of the Disability Standards in Education 2005:
 - Take reasonable steps to ensure that a prospective student is able to seek admission to, or apply for enrolment in, the School on the same basis as a prospective student without a disability, and without experiencing discrimination;
 - The decision whether or not to offer the student a place is treated on the same basis as a student without a disability, and without experiencing discrimination;
 - The Principal must consult with the prospective student about whether the disability affects the prospective student's ability to seek admission to or apply for enrolment at the school;
 - In light of the consultation, the Principal must consider the educational adjustments required for the student;
 - The Principal will make the final decision on enrolment, seeking legal advice and consulting with the ASC as appropriate; and
 - The family must be informed of the final decision and the reason for the decision should an enrolment not be offered by the school.
- (3) Three distinct stages of enrolment – Application, Interview and Offer of Enrolment;
- (4) Class size maxima as per the Workloads in ASC Schools in Western Australia Policy, Workloads in ASC Schools in Victoria or the Multi-Enterprise Agreement (MEA) in NSW (as appropriate);
- (5) Clarity on the enrolment factors that will be considered before an offer of a place at the School is made, such as:
 - Siblings of students already enrolled, or previously enrolled
 - Children of Anglican Clergy;
 - Children of former students;
 - Practising members of the Anglican Church and others with an active Christian commitment;
 - Date of application;
 - Individual family circumstances;
 - Outcome of the interview process; and
 - Children of parent(s)/guardian(s) who indicate a willingness to support the Anglican ethos of the School.
- (6) Ensuring that current and up-to-date immunisation records are requested;
NB: A doctor's note must be provided if unable to provide up-to-date immunisation records.
- (7) Ensuring that a Schedule of fees and payment policy is made available to parent(s)/guardian(s) and is published on the school website;

- (8) Ensuring that parental obligations are clearly communicated and accepted – Terms and Conditions of Enrolment;
- (9) Compliance with the requirements of the National Privacy Principles (NPPs) as contained in the Commonwealth Privacy Act and documented in the School Privacy Policy;
- (10) Ensuring that personal details of students remain up to date;
- (11) Standardised attendance record keeping; and
- (12) Notification of extended absence or regular non-attendance.
