

**CATHEDRAL COLLEGE WANGARATTA**  
*A school of The Anglican Schools Commission (Inc.)*

---

Monday March 16, 2020

Dear Parents & Guardians

I write to update you on the latest modifications the College has implemented in response to the evolving COVID -19 health crisis. This has been communicated to all staff and students this morning.

- All school gatherings will be limited to a maximum of one class size of students. This means that any school gathering that involves a group of more than 30 students has been cancelled.
- All scheduled co-curricular events and activities have been cancelled for the rest of the term.
- Students will be regularly reminded of hygiene requirements and encouraged to remain at least 1.5 metres apart during recess and lunch breaks.
- The school library will be closed at recess and lunch time. Individual students will be able to access the library if necessary.

These measures will be implemented until further notice.

We continue to prioritise the health and well-being of all members of our school community. The College will ensure that we keep all members of the school community updated and informed about any further developments.

I again remind parents that students should not be sent to school if they are exhibiting any type of cold or flu symptoms. Please inform the school immediately if any member of your household returns a positive test for COVID-19 or has had direct contact with a person who has tested positive.

I thank you for your support during these uncertain times and encourage you to contact the school should you require any further information.

Yours sincerely

Nick Jones  
Principal
