Students at Cathedral College Wangaratta are able to access the Government Regional Bus System to get to school. The majority of students will have free travel whilst some may have to pay a fare.

Fare payers are:

- Students who live closer to another Independent School but attend Cathedral College. These families are invoiced via the Regional Bus Coordinator at the Wangaratta High School and must fill out an Application for Permission to Travel – Fare paying Students
- Students who catch the two Town Buses and live within a 4.8 km radius of Cathedral College. Students can pay the Bus Driver when they get on the bus.
- Students who get on the Fallons Wangaratta Private Charter from Benalla and Bright. These families are invoiced each term by Cathedral College Wangaratta with your fees.

All students must fill out an Application for Permission to Travel – Eligible Students, or Application for Permission to Travel – Fare paying Students and a Public or Private Conveyance Form as well, this form helps pay for the Shuttle Buses from the bus interchange to and from Cathedral College Wangaratta.

Students and Parents are to read the Conditions of Travel and sign that they will comply with them.

RollCall

The RollCall bus tracking software program creates a safer, more secure way for student travel. Using the latest in technology, RollCall provides teachers and parents with real-time information about the student's in-transit and arrival for their daily travel.

RollCall captures student movements in real time. Students check on and off the bus by touching their NFC Fob to a device located on the bus. This information can then be viewed by parents on their personal computers or mobile device, providing them with the current location of the bus, and the time their child boards and exits the bus.

On the first day of the school year, each student travelling on a school bus will be designated a fob and lanyard for the shuttle bus they will be allocated to travel on over to the Wangaratta High School to get onto their connecting regional government bus.

Students will be required to swipe these fobs when boarding buses at Cathedral College. As per the Conditions of Travel signed by all bus travellers, students must only travel on the shuttle bus service allocated to them, to and from their approved bus stop only. There is currently no scope to change to another bus on the school bus system. If there is a change in address or situation, you must let the school know. If you lose your fob and lanyard you may purchase a new one at the cost of \$10.00 by contacting Ms Peta Cooke.

Upon enrolment parents will be sent a Welcome letter from RollCall inviting parents to install the app onto their mobile device. Further information on RollCall can be found on the following link http://bit.ly/RollCall_How_it_works

Various bus lines

Students travelling on the Carboor, Cheshunt, Meadow Creek/Oxley, Edi Upper, and Myrree buses will be dropped off directly at Cathedral College Wangaratta in the morning, and in the afternoon will be picked up by these buses on the way out of town at approximately 3.50pm. Happily, these students will not be required to go to the interchange at the High School.

There will be seven shuttle buses to and from the interchange at Wangaratta High School. They will be called the Reiths Estate, Eldorado, Hamilton Park, Greta South, Springhurst, Yarrowonga and Beechworth Shuttle buses, and students will be allocated seats depending on which connecting bus they will be getting on at the High School.

Students travelling from Reiths Estate, Springhurst, Beechworth, Hamilton Park, Eldorado, Yarrowonga and Greta South will remain on their bus when they arrive at the High School and they will be shuttled out to Cathedral College.

SAFE BUS TRAVEL

- Leave home with plenty of time to get to the bus stop 10 minutes prior to the scheduled departure time.
- Always walk as far away from the road edge as possible.
- Do not push others when the bus is approaching the stop.
- If you are using headphones these must be removed before leaving the bus as they distract you from being fully aware of danger.
- Make sure you always treat the driver with respect. They have the important job of getting me, you and others to school and home safely.
- Students are NOT to put anything in the storage bins under the bus, always ask the driver to do this for you.

At the Bus Stop:

Never cross in front of the bus. Always wait until the bus moves well away and you can see clearly in both directions, before crossing the road.

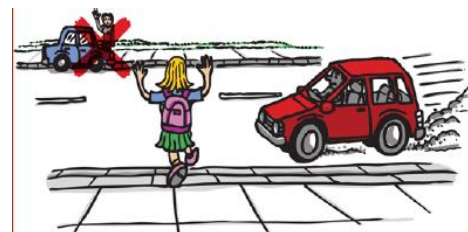

When you get on the bus please sit down on your seat quietly and quickly if there are no seats, move to where there are handgrips on the side of the seats and hold on,

Parents and Carers:

Parking or waiting opposite the bus stop is dangerous as most children, especially little ones, are excited to see you after a day at school and are likely to run across the road to meet you. If you have to park across the road please get out and wait for your child at the Bus stop.
