

CATHEDRAL COLLEGE WANGARATTA
A school of The Anglican Schools Commission (Inc.)

Friday July 16, 2021

Dear Parents and Guardians

In response to the State Government's announcement yesterday that there will be a state-wide lock down for five days, the following arrangements have been made:

- **Monday July 19** will remain a student free day.
- **Tuesday July 20**, students will learn from home. However, given that students have not had the opportunity to access their learning resources from school or they may not have access to a digital device, there will be work provided via email in the timetabled **core subjects** that students would normally have next Tuesday (this includes English, Mathematics, Science and Humanities). Teachers will email parents and students an activity/task related to that core subject that can be completed at home. In order to take an attendance roll on Tuesday, students and/or parents are asked to 'check in' with their homeroom teacher via a return email at 9.00am.
- Supervision for the children of essential workers will be provided on Tuesday July 20 but we must emphasise that this is **strictly for children of essential workers**. Parents requiring supervision for their child/children must register with Catherine Johansen. Please email Catherine on cjohansen@cathedralcollege.vic.edu.au by 12.00pm on Monday July 19.

We are hopeful that we can return to learning on-site on Wednesday July 21, however, if the current lock down goes for longer than five days, The College will move to distribute laptops to students who require them and implement our full Remote Learning Program.

We acknowledge the continuing disruption and uncertainty of the current situation and encourage parents and students to reach out to your child's homeroom teacher, Head of School and/or our Wellbeing team if you feel your child needs additional support. Please do not hesitate to contact us if you have any questions.

Kind regards

Nick Jones
