Application to Fast Track a VCE/VET Subject - 2021

Name: _____ Class: _____

Subject wishing to Fast Track: _____

Reason why you would like to Fast Track this subject:

This subject fits my career path because:

I understand my Year Nine subject teachers will be consulted and confirm my suitability to be accepted into the Fast Track program. An interview may be required to assess suitability for the Fast Track program.

I acknowledge that to Fast Track a VCE/VET subject requires a high level of dedication and organisation and that I will need to be self-directed at times in my learning.
